History: A Very Short Introduction Jul 07 2020 There are many stories we can tell about the past, and we are not, perhaps, as free as we might imagine in our choice of which stories to tell, or where those stories end. John Arnold's Very Short Introduction is a stimulating essay about how we study and understand history. The book begins by

inviting us to think about various questions provoked by our investigation of history, and explores the ways these questions have been answered in the past. Concepts such as causation, interpretation, and periodization, are introduced by means of concrete examples of how historians work, giving the reader a sense of the excitement of discovering not only the past, but also ourselves. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

A School of Dolphins Nov 22 2021 There are three good reasons for publishing a book on dolphins in art at this moment. First, there has never been an art book devoted to these beautiful and intelligent animals. Second, they have figured in Western iconography for more than two thousand years as religious and political symbols and as paradigms of grace. And third, sixty years ago they were adopted as the logo of Thames & Hudson. The result is an endearing volume that combines charm, intellectual scholarship, and serious art history. Charles Avery is a specialist in European sculpture, particularly Italian, French, English and Flemish. He was Deputy Keeper of Sculpture at the Victoria and Albert Museum and a Director of Christie's, and is now an independent historian, consultant, writer, and lecturer.

And she's especially worried about how her wheelchair, Sprinkles, will affect things. On the bright side, she'll still have her big sister, Lucy, with her, and she'll even get to see a dolphin-her favorite animal!-for the very first time. In fact, KT has always dreamed of swimming with a dolphin, and with the help of her sister, she's determined to make it happen. But when she meets Cola for the first time, he's not what she expected. KT is suddenly afraid, and she's unsure if she can swim with Cola given her disability. Will KT be able to overcome her fear and gain the confidence to take

the plunge?

Voices in the Ocean Oct 10 2020 Humans and dolphins have a unique bond. We know that dolphins are highly intelligent, intensely sociable beings who recognize their own reflections, introduce themselves by name, form close friendships, communicate constantly, feel despondent, rescue one another (and humans), deduce, infer, throw tantrums, gossip, joke, and scheme. Many who have swum with them describe the experience as life-changing. They are heralded as magical creatures, and yet we force them into starring roles at theme parks, trade them on the black market and put them to slaughter. *Voices in the Ocean* is at once a celebration of these beloved animals and a devastating chronicle of the damage wrought when human and dolphin worlds meet. Through Casey's illuminating portrayal of these beguiling creatures we encounter the best and worst of ourselves.

Witness Jan 01 2020 Leanora Sutter. Esther Hirsh. Merlin Van Tornhout. Johnny Reeves . . . These characters are among the unforgettable cast inhabiting a small Vermont town in 1924. A town that turns against its own when the Ku Klux Klan moves in. No one is safe, especially the two youngest, twelve-year-old Leanora, an African-American girl, and six-year-old Esther, who is Jewish. In this story of a community on the brink of disaster, told through the haunting and impassioned voices of its inhabitants, Newbery Award winner Karen Hesse takes readers into the hearts and minds of those who bear witness.

So Long, and Thanks for All the Fish Jun 05 2020 *So Long, and Thanks for All the Fish* is the fourth installment in Douglas Adams' bestselling cult classic, the Hitchhiker's Guide to the Galaxy 'trilogy'. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Neil Gaiman. There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick – until he meets Fenchurch, the woman of his dreams. Fenchurch once realized how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it . . . Follow Arthur Dent's galactic (mis)adventures in the last of the 'trilogy of five', *Mostly Harmless*.

How to Speak Dolphin Oct 29 2019 Schneider Family Book Award-winning author Ginny Rorby has created an irresistible dolphin story about a girl's struggle to help her autistic brother and herself. Lily loves her half-brother, Adam, but she has always

struggled with him, too. He's definitely on the autism spectrum--though her step-father, Don, can barely bring himself to admit it--and caring for him has forced Lily to become as much mother as sister. All Lily wants is for her step-father to acknowledge that Adam has a real issue, that they need to find some kind of program that can help him. Then maybe she can have a life of her own. Adam's always loved dolphins, so when Don, an oncologist, hears about a young dolphin with cancer, he offers to help. He brings Lily and Adam along, and Adam and the dolphin--Nori--bond instantly. But though Lily sees how much Adam loves Nori, she also sees that the dolphin shouldn't spend the rest of her life in captivity, away from her family. Can Adam find real help somewhere else? And can Lily help Nori regain her freedom without betraying her family?
