My Animal Book! Jul 02 2022 The eye-catching digital graphics, engaging characters, and many reader-directed prompts pair well to keep children flipping pages. — Publishers Weekly How do animals live? What do they eat? Is a human being an animal? Children have all sorts of questions about animals, and in My Animal Book those questions are answered. A little girl named Koko helps you think about animals and make comparisons with their own lives. There are also three intrepid explorers who go on adventures to a variety of places to find out about different species. You investigate each topic by playing and learning. The book is energetic and bold in its illustration, with contributions from a variety of illustrators. It has a sense of humor, and its large format is friendly and approachable for children ages five and up.

My First Book of Funny Animals (National Wildlife Federation) Nov 25 2021 Featuring spectacular images straight from the vaults of the National Wildlife Federation, these should be the very first books to introduce children to animals from around the world. Every photo shows these creatures in their natural habitats. Each book in the series carries the logo and name of the National Wildlife Federation. These are not just board books, but the first books that any toddler will love and adults will enjoy reading. Each full page spread is a story by itself. See the lions arguing but then the bear to watch. The baby sea lion wants to play and the orangutan wants to play too. The chipmunk tells the polar bear to stop, and the polar bear does. Fantastic photos of wildlife come with fun comments to make these a new kind of board book.
