**East London Up Close Aug 08 2020** This playful photo series by local photographer Mimi Mollica thrusts the viewer straight into the inspiring, frustrating, wild and living streets of east London. Abstract, colourful snapshots of people, fabrics, architecture, wildlife and everyday objects together tell a story of a vibrant, ever-changing community. Mollica's (sometimes extreme) close-ups are full of warmth and spontaneity; making us yearn for a time when close proximity to strangers was inherent in our day-to-day lives.

**The Gold Crusades Feb 23 2022** Among the hordes of starry-eyed 'argonauts' who flocked to the California gold rush of 1849 was an Australian named Edward Hargraves. He left America empty-handed, only to find gold in his own backyard. The result was the great Australian rush of the 1850s, which also attracted participants from around the world. A South African named P.J. Marais was one of them. Marais too returned home in defeat - only to set in motion the diamond and gold rushes that transformed southern Africa. And so it went. Most previous historians of the gold rushes have tended to view them as acts of spontaneous nationalism. Each country likes to see its own gold rush as the one that either shaped those that followed or epitomized all the rest. In *The Gold Crusades: A Social History of Gold Rushes, 1849-1929*, Douglas Fetherling takes a different approach. Fetherling argues that the gold rushes in the United States, Canada, Australia, New Zealand, and South Africa shared the same causes and results, the same characters and characteristics. He posits that they were in fact a single discontinuous event, an expression of the British imperial experience and nineteenth-century liberalism. He does so with dash and style and with a sharp eye for the telling anecdote, the out-of-the-way document, and the bold connection between seemingly unrelated disciplines. Originally published by Macmillan of Canada, 1988.

**Vegetarian Times Apr 03 2020** To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

**Scottish Genealogy (Fourth Edition) Jul 31 2022** THIS fully revised and updated fourth edition of Scottish Genealogy is a comprehensive guide to

tracing your family history in Scotland. Written by one of the most authoritative figures on the subject, the work is based on established genealogical practice and is designed to exploit the rich resources that Scotland has to offer. After all, this country has possibly the most complete and best-kept set of records and other documents in the world. Addressing the questions of DNA, palaeography and the vexed issues of clans, families and tartans, and with a new chapter on DNA and genetic genealogy, Bruce Durie presents a fascinating insight into discovering Scottish ancestors. He covers both physical and electronic sources, explains how to get beyond the standard 'births, marriages and deaths plus census' research, and reminds the reader that there are more tools than just the internet. Comparisons are made with records in England, Ireland and elsewhere, and all of the 28 million people who claim Scottish ancestry worldwide will find something in this book to challenge and stimulate. Informative and entertaining, this new edition is the definitive reader-friendly guide to genealogy and family history in Scotland.

*Faust's Gold* Nov 03 2022 While the German Democratic Republic's secret "State Plan" was in effect, more than ten thousand unsuspecting athletes were given massive doses of anabolic steroids. These athletes achieved massive success at the Olympics, but for many their physical and emotional health was permanently damaged. This new revised edition of *Faust's Gold* draws on the revelations of criminal trials of GDR coaches, doctors and officials who have now confessed to ruthless medical experiments. This new edition highlights recent cases of performance enhancing drugs used in baseball, the BALCO scandal and international cycling.

*The Second Media Age* Sep 28 2019 This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age".

*Wondering and Wandering in the West* Jan 13 2021 Visiting scholar Li Qingjuan came a long way from China to the Western world for a total of fifteen months of study. Her study began at Oxford University in the United Kingdom and finished at the Columbia University in the United States. This book does not only cover her inspiration during her time in the UK and US but also share her thoughts on the development of international financial centres, globalization, and openness of international cities and current economic status for both countries. Those 450 days experienced abroad, along with her sociologist and economist background, gives this book a really special perspective.

*Middle East Patterns, Student Economy Edition* May 05 2020 This book covers the Middle East from a topical or systematic perspective focusing on the states of the Gulf and southern Arabian Peninsula. It includes the dramatic developments in the Arab world across North Africa and in the heart of the Middle East since late 2010 termed as the "Arab Spring".

*Writing in Gold* Jun 29 2022 *Writing in Gold* is a bold and challenging statement about the importance of the visual arts in a largely illiterate society. Exploring the height of Byzantine society from the 6th to the 12th centuries through a survey of the period's surviving paintings, mosaics, and metalware, the book shows how these art objects molded attitudes and beliefs in the medieval world. The examples chosen cover the full range of Byzantine society from the sophisticated urban environment of Constantinople, where emperors used art to maintain loyalty and support for the system, to the life of a small community on Cyprus, where a recluse used art to glorify himself to his disciples. Written in a lively style, and drawing on new and original material throughout, *Writing in Gold* illuminates an intriguing period in art history.

*How Much of These Hills Is Gold* Oct 02 2022 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A WASHINGTON POST NOTABLE BOOK OF THE YEAR ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2020 LONGLISTED FOR THE 2020 BOOKER PRIZE FINALIST FOR THE 2020 CENTER FOR FICTION FIRST NOVEL PRIZE WINNER OF THE ROSENTHAL FAMILY FOUNDATION AWARD, FROM THE AMERICAN ACADEMY OF ARTS AND LETTERS A NATIONAL BOOK FOUNDATION "5 UNDER 35" HONOREE NATIONAL BESTSELLER "Belongs on a shelf all of its own." —NPR "Outstanding." —The Washington Post "Revolutionary . . . A visionary addition to American literature." —Star Tribune An electric debut novel set against the twilight of the American gold rush, two siblings are on the run in an unforgiving landscape—trying not just to survive but to find a home. Ba dies in the night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate, blending Chinese symbolism and reimagined history with fiercely original language and storytelling, *How Much of These Hills Is Gold* is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of where immigrants are allowed to belong. But page by page, it's about the memories that bind and divide families, and the yearning for home.
