The Reincarnation of Edgar Cayce? Apr 03 2020 Wynn Free explores the remarkable parallels between the work of David Wilcock and the legendary Edgar Cayce while he builds a convincing case that the two men shared the same source of prophetic information and that Wilcock might indeed be Cayce ' s reincarnation. Compiling some of Wilcock ' s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, The Reincarnation of Edgar Cayce presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Even as we speak, you have experienced the law of attraction at some point in your life. Do you doubt this immutable fact? Consider this: Look back to all those times when you were thinking about someone, your phone started ringing with the person you were thinking of on the other end of the line, or the time when you were thinking about someone, and out of nowhere, you bump into the person on the street. You may choose to label these things mere 'coincidences', 'luck', or 'fate' because a part of you finds it difficult to accept the existence of energy in sync with your thoughts, an energy capable of attracting the things you want. This energy is the universal energy. You can tap into this energy to transform every aspect of your life and attract everything you desire. How do you do that: how do you tap into this power? Well, you use the law of attraction. What is the law of attraction? This book will teach you everything about the law of attraction, how it works, and then detail how you can consciously begin to use it to get the things you want whether these things are the ideal relationship, a good job, better health, money, you name it.
