**Life on the Road:
Kiwi Trucking**

Stories Jan 13
2021 Kiwi truckies are the unsung heroes of New Zealand - the men and women who make great personal sacrifice and often risk their lives to keep our country running. The people who devote their life, in some way or another, to what is often a hard and lonely passion. Life on the Road gathers together their fascinating stories. It captures the humour, tragedy, action and extremes of the trucking world, by

turns moving between the dramatic, light-hearted and surprising - including runaway trucks, skirmishes with the law, nostalgic tales of the early pioneers, love stories, and more than one practical joke. Whether you're a trucking die-hard or just love the wide open road and a cracking good yarn, Life on the Road is a gripping insight into the real lives of Kiwi truckies. **The Road** Sep 01 2022 By the author of Life and Fate, now a major Radio 4 drama starring Kenneth Branagh.

Vasily Grossman is widely recognized as one of the outstanding literary figures of the twentieth century. The short fiction collected here - satire, comedy, tragedy and pure narrative - illustrate the remarkable breadth of his work, and demonstrate all the bold intelligence, delicate irony and extraordinary vividness for which he has become known. In addition to the eleven stories, this volume includes the complete text of 'The Hell of Treblinka', one of the first

descriptions of a Nazi extermination camp; a powerful and harrowing piece of journalism written only weeks after the camp was dissolved.

Beautifully illuminated by Robert Chandler's introductions and endnotes, with photographs from the family archive, and an Afterword by Grossman's stepson, Fyodor Guber.

The White Road and Other Stories

Jan 31 2020 Fleeing from tragedy, a bereaved mother opens a cafe on the road to the South Pole. A town which has always suffered extreme cold enjoys sudden warmth. A stranger starts plaiting a young woman's hair. A rabbi comes face to

face with an angel in a car park. An elderly woman explains to her young carer what pregnancy used to mean before science took over. A middle-aged housewife overcomes a fear of technology to save her best friend. A desperate childless woman resorts to extreme measures to adopt. A young man's potential is instantly snuffed out by Nature's whims. A lonely widow bakes cakes in the shape of test tubes and DNA. A number of these stories are inspired by articles from science magazines, taking fact as their starting points and wondering what might happen if . . . ?

The Narrow Road

Journey also into places still hostile to Christians -- with profiles on courageous champions of the faith. Meet teens and others across the globe who are mercilessly persecuted for their faith, yet display extraordinary joy.

Road Stories Jul 19 2021 Stories always have a lot of names of people and places. I have tried to retain as many original names as I could in the name of

realism, but in order to protect identities and reputations, and also to follow at least halfway my lawyer's advice, I had to change about half of them. Wherever possible, I simply avoided names altogether, as in "the bass player" or "the club owner" or "the town". Whenever there is a remotely negative connotation the names have most definitely been altered. There is also some fill-in work so far as dialogue is concerned. This bit of artistic license was taken not only because I can't remember every single thing everyone said, but also in the name of technical dramatic

writing. There is a sprinkling of fiction in all storytelling. Think of it as the spices in the event-salad. I have tried to keep it to a bare minimum. The only ones who might choke on the pepper are the people who were actually there. And you know who you are.

If a Road Could Talk Dec 12 2020

The personal stories of the challenges and adventures of early settlers and their successors on a little country road in Washington state. The book describes how the early settlers struggled to eke out a living on stump ranches on "Poverty Hill", and how the area evolved into the eclectic mix it is

today, more than 100 years later.

The Dark Road
Feb 11 2021 From one of world literature's most courageous voices, a novel about the human cost of China's one-child policy Far away from the Chinese economic miracle, from the bright lights of Beijing and Shanghai, is a vast rural hinterland, where life goes on much as it has for generations, with one extraordinary difference: "normal" parents are permitted by the state to have only a single child. Written while Ma Jian traveled the rural backwaters of southwestern China, *The Dark Road* is the story of one such family, who makes the

radical choice to defy the crackdown. A haunting and indelible portrait of the tragedies befalling women and families at the hands of China's one-child policy and of the human spirit's capacity to endure even the most brutal cruelty, *The Dark Road* is also a celebration of life, and of the fierce beauty born of courageous resistance to injustice.

The Road Aug 20
2021 The post-
apocalyptic modern
classic with an
introduction by
novelist John
Banville. In a
burned-out
America, a father
and his young son
walk under a
darkened sky,
heading slowly for
the coast. They
have no idea what,

if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which,

miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year. [The Moonlit Road and Other Ghost and Horror Stories](#) Sep 20 2021 Twelve engrossing, suspenseful tales by a master storyteller include "The Eyes of the Panther," "A Watcher by the Dead," "The Man and the Snake," "Moxon's Master," "The Boarded Window," and seven

Duel Jul 07 2020 [Cowboy of The Road: True Stories of His Survival](#) Dec 24 2021 Childhood or wildhood? This collection of stories begins with a young boy whose cleverness, ability, and determination are more in line with an adult rather than the curious-minded six year old that we are introduced to in the first story. Normal was never to be a part of Marcel Pontbriand's life. Orphaned at the tender young age of 14 and with only pennies to his name, you'll read about how he took to the ice roads of Canada and met with fear, tragedy, and obstacles that only few could even imagine. Challenge,

defeat, and the curses of Mother Nature would forge the young Marcel into a focused dreamer who would plan, re-examine his situation, and promise himself a better life, all the while pledging to help others along the way. Just like the highways of Canada and the U.S.A., it's never a straight path to meet a timeline and a destination. These stories will take you on an adventure of one man's life that was intertwined with controversy, crime, and corruption. It's been a truckin' hard life for Marcel Pontbriand, a life that he would not change in the least, because it molded him into what he became to be

called; Cowboy of the Road He has driven more than 5 million miles behind the wheel of his Peterbilt rig. So, let us begin this incredible collection of true tales right now! *On Record* May 29 2022 Want to know what really goes on during an Olly Murs UK tour? Then get the lowdown in my new book, *On The Road* - the official, uncensored, up close and personal story of 2015's Never Been Better UK adventure. Packed with 200 exclusive pictures, this fly-on-the-wall release captures all the excitement and drama of a 27-gig trip around the country, including the jokes, arguments, heartbreaks and

giggles, with some parties thrown in along the way. You could say it's an exclusive insight into all the hard work that goes into putting on a nationwide tour for the best fans in the world. That's not all, though. Keep your eyes peeled for several special guest appearances from the likes of Robbie Williams, Jonathan Ross and the comedians, Russell Brand and John Bishop. One or two Premier League footballers rock up in the story, and I fall victim to a few terrible practical jokes. If that's not enough, there's also the untold story of what really happened when I got the X Factor job. Planes, tourbuses and a

helicopter ride or two: On The Road is the access-all-areas tale of my biggest ever headline tour. I promise it's going to give my fans a real insight into what my life's like really behind the scenes - grumps, giggles and all. Don't believe me? Just watch...

Woodhill Road

Oct 29 2019 The Woodhill Road neighborhood of Cleveland, Ohio, was, for over half a century, the home of common people going about their common lives. Home to a group of people with Slavic ancestry, this community served as home for those who came from a country that never had an identity of its own. They longed to be a part

of a nation that they could call their own, and so they told their stories of America to their children, around the supper table, at church picnics, and with one another in familiar places. One such store is Mader Hardware on Woodhill Road, a popular place for men, old and young, to spend hours at a time. More than a place to shop, Mader is a place for stories. Men settle in and get comfy. Tall tales start slow and vague, with openings like, "You won't believe what happened to me today." The stories build on each other, into a cacophony of culture and experience. The stories of these men are an ode to

Cleveland, an ode to their motherland, and an ode to the human experience, as they share the little moments that truly mean something in the grand scheme of life.

Echoes of the Silk Road: Stories of the Orient by a Master Storyteller

Feb 23 2022 My mother was born and raised in China by her American missionary parents. Throughout my childhood growing up in Michigan, my mother and my grandfather told my brother and me stories about their life in the Orient. My grandfather was a superb storyteller and I was always fascinated by his descriptions of the Chinses people and their culture. Later

I would live in both Korea and Japan, adding to my interest in the Far East. Each of these fictional short stories is anchored in Chinese and Japanese history and, in some part, on my firsthand experiences and those of my mother and grandparents.

"The Road," an

"Mother" is based

on a true story

about an orphaned

girl who was adopted by Nikolay Yezhov (head of the NKVD at the height of the Great Terror) and his wife; it includes brief portraits of Stalin and several important Soviet writers and politicians—all of them as seen through the eyes of the little girl or of her honest but uncomprehending peasant nanny. As well as a dozen stories—from “In the Town of Berdichev” (Grossman’s first published success) to “In Kislovodsk” (the last story he wrote)—this volume includes an unusual article about the life of a Moscow cemetery. It also contains two letters Grossman wrote to his mother, after

her death at the hands of the Nazis, and the complete text of “The Hell of Treblinka,” one of the very first, and still among the most powerful, accounts of a Nazi death camp. Road of Ash and Dust Sep 28 2019 aware that hunger, sickness and deprivation were awaiting him, a young idealist leaves the United States and embarks on a spiritual journey to West Africa. Repeatedly challenged by a world beyond his understanding and thrown into harsh, critical self-reflections, he is repulsed by the image of himself that Africa forces him to confront. Road of Ash and Dust: Awakening of

a Soul in Africa is a deeply intimate and, somewhat, voyeuristic unveiling of aspects of The African-American Experience rarely committed to print. ROAD allows you access to one of the most universal rites of passage, the discovery of self. Author E.L. Cyr channels voices from a distant and muted past, guiding us into understanding that many of the answers to our most troubling questions do, truly, come from within. I Killed Mar 27 2022 In a hilarious look at real life on the comedy circuit, some of America’s most famous comics share their own stories of life on the road, gigs gone

wrong, and unexpected zany moments, with contributions by Jay Leno, Jerry Seinfeld, Chris Rock, Mike Myers, Bill Maher, Joan Rivers, Jeff Foxworthy, and others.

Stories of the Humboldt Wagon Road Jan 25 2022

Before the completion of the transcontinental railroad, there was the Chico and Humboldt Wagon Road, meant to connect California with the burgeoning mining industries of Nevada and Idaho. The ambitious plan to make Chico a major Northern California transportation hub was spearheaded by John Bidwell and began in earnest in

1864. The road opened new areas to mining and logging and provided opportunities for less scrupulous characters. Stagecoach robberies, murders and shootouts were just some of the misfortunes that occurred on the road, along with the dangers nature provided-- snowstorms, perilous terrain and grizzly bears. Author Andy Mark offers a glimpse of what it was like for nineteenth-century travelers and settlers on the route of the Humboldt Wagon Road.

The Beach at Galle Road Jul 27 2019 When rumors of civil war between the ruling Sinhalese

and the Tamils in the northern sector of Sri Lanka reach those who live in the south, somehow it seems not to be happening in their own country. At least not until Janaki's sister, Lakshmi—now a refugee whose husband, a Tamil, has disappeared—comes back to live with her family. And when Sam, an American Peace Corps worker who boards with Janaki's family, falls in love with one of his students, a young girl from the north, he, too, becomes acutely aware of the dangers that exist for any- one who gets drawn into the conflict, however marginally. Skillfully weaving

together the stories of these and other intersecting lives, *The Beach at Galle Road* explores themes of memory and identity amid the consequences of the Sri Lankan civil war. From different points of view, across generations and geographies, it pits the destructive power of war against the resilient power of family, individual will, and the act of storytelling itself. For the Road Mar 03 2020 With this collection of short stories, readers will travel into the imaginations of ten exceptional authors. From literary fiction to science fiction to ghost stories, this fantastic anthology will entertain adult

readers of all types. If you're expecting tales of good Samaritans and happy travelers, you may want to take another route. *For the Road* explores the spectacular fear we hold for the unknown, as embodied by the lonesome highway. Seasoned travelers may laugh at the villains and specters within these pages, while homebodies will make sure to lock their doors a little earlier in the evening. *For the Road* will take you on a journey you won't soon forget. Tales from the Road Apr 15 2021 Imagine if the movies *Forrest Gump* and *Almost Famous* collided along a stretch of

highway. It's there you will find *Tales from the Road*. Before the birth of MTV and the internet made music readily accessible and boringly safe, bands rolled into big cities and small towns across America to ply their trade. These musicians lived a fantasy many have only dreamed. Behind a drum kit, Bill Bancroft experienced the whole mind-altering trip. Sex and drugs were on steady supply everywhere they went. Acid trips, cocaine busts and psychopropies were part of this strange world. His bands opened for national acts such as Robert Cray and Hoyt Axton. He played

with the legendary Bo Diddley and went on tour with Freddy Fender. He partied with Heart, drank beers with the guys from AC/DC and even shot a round of roadside golf with Willie Nelson. Sex, drums, and rock & roll were the center of his world... Until a girl walked into Bill's life and everything changed.

Aug 27 2019 The Road Within is a very different kind

It will show you what the great mystics and saints have always known - that you are closer to yourself, the world, and God, than you can possibly imagine, and that wondrous things await you on your journeys.

Papa's Back-Road Short Stories

May 17 2021 Papa's Back-Road Short Stories by Sam Cross Old highways and back roads seem less traveled,

as many people would rather be on main highways to save travel time. Sam "Papa Smurf" Cross is different. This biker prefers to start his adventures in the old highways and back roads leading to old bait houses and old stores, where he might chance upon friendly strangers willing to share wonderful stories, stories he finds worthy of retelling. This treasure of compelling and inspiring stories of ordinary people whose simple acts of kindness brought happiness and hope to families and individuals who survived life's trials, even gaining a new lease on life, are immortalized in *Papa's Back-Road*

Short Stories. A widower opens his life and home to a cat, who, in turn, shares his unconditional love to the widower and later to a cancer stricken girl in need of a friend in "Henry." A lasting friendship that follows after are retold in "Cindy and Henry," "Randy," and "Gunner." A person's worth is more than his or her appearance as the story of a homeless man living his life digging trash cans imparts in "Silver Star." God moves in mysterious ways and nobody would suspect that his help would come from unexpected people, like when two young troublemakers decide to help a

widow in need during the time of the Great Depression, in an untitled humorous story that would never get old. Stories like this encourage positivity and belief in God much needed in these times of troubles and deserves a place in anyone's bookshelf.
