Darwinism and the Divine May 05 2020

Darwinism and the Divine examines the implications of evolutionary thought for natural theology, from the time of publication of Darwin's *On the Origin of Species* to current debates on creationism and intelligent design. Questions whether Darwin's theory of natural selection really shook our fundamental beliefs, or whether they served to transform and illuminate our views on the origins and meaning of life. Identifies the forms of natural theology that emerged in 19th-century England and how they were affected by Darwinism. The most detailed study yet of the intellectual background to William Paley's famous and influential approach to natural theology, set out in 1802. Brings together material from a variety of disciplines, including the history of ideas, historical and systematic theology, evolutionary biology, anthropology, sociology, and the cognitive science of religion. Considers how

Christian belief has adapted to Darwinism, and asks whether there is a place for design both in the world of science and the world of theology. A thought-provoking exploration of 21st-century views on evolutionary thought and natural theology, written by the world-renowned theologian and bestselling author Introduction to Christian Theology Dec 12 2020. This book helps beginning theological students grasp the basics of Christian theology. Consciously avoiding the perspective of one school of thought or confessional tradition, the authors provide the reader with a brief, broad overview of the questions and contents of theological study. Their accessible use of language, clear organization, and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time. "In the words of its authors, this book offers an introduction 'to the fuller spectrum of Christian theology as it has developed through the centuries.' Few writers address the historical

development of the classic doctrines and the contemporary resonance as adroitly as Gonzalez and Perez. The chapter on Jesus Christ, for example, presents concise summaries of the treatments of Christ's person leading up to Chalcedon, while suggesting a need for a multiplicity of images in understanding the work of Christ that liberates the whole person and restores all creation. Beginning students, as a result, are invited into a living theological conversation, where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation. Broadly ecumenical in tenor, with reference to theologians from nearly every century, the work should appeal to both a popular readership and introductory students in college and seminary. One disappointing aspect of the book is an absence of Latino/a, feminist, and liberation perspectives. For a work that argues for the contextuality of all theology, and from authors whose previous work has been monumental in Hispanic theological education, this lack is surprising."---David H. Jensen, Austin Presbyterian Theological Seminary, in Religious Studies Review, Volume 29 Number 3, July 2003.

Christian History Jan 01 2020 A major new introduction to the global history of Christianity, written by one of the world's leading theologians and author of numerous bestselling textbooks. Provides a truly global review by exploring the development of Christianity and related issues in Asia, Latin America and Africa, and not just focusing on Western concerns Spanning more than two millennia and combining elements of theology, history, and culture, it traces the development of all three branches of Christianity - Catholic, Protestant, and Orthodox - providing context to Christianity's origins and its links to Judaism Looks beyond denominational history at Christianity's impact on individuals, society, politics, and intellectual thought, as well as on art, architecture, and the natural sciences Combines McGrath's acute historical sensibility with formidable organizational skill, breaking the material down into accessible, self-contained historical periods Offers an accessible and student-oriented text, assuming little or no advance theological or historical knowledge on the part of the reader

The Reformation to the Modern Church Sep 08 2020

Engagement with primary sources is an essential part of effective teaching and learning in the church history or theology course. And yet, pulling together and distilling the right readings can be challenging. In this all-new primary-source anthology, Keith D. Stanglin has done the heavy lifting for a new generation of classrooms. Stanglin has edited and introduced over 100 selections to create a reader that orients students to the ebb and flow of thought that moves out from the pre-Reformation period.

Christianity Sep 20 2021 The new edition of this popular textbook by leading theologian, Alister E. McGrath, will be essential reading for anyone wanting to understand the dynamics of the world's largest religion. Fully revised to include greater coverage of the Catholic perspective, contemporary issues, non-Western Christianity, globalization and women, this is a truly comprehensive, lively, and jargon-free introduction to Christianity. Written for beginners to this subject, and assumes no knowledge of Christian beliefs or practices. Includes an introduction to biblical sources and discussion of the central figure of Jesus. Features comprehensive discussions of Christian theology, the history of Christianity from its origins to the present day, and Christianity in

the modern world. Increases coverage of contemporary issues, the Catholic perspective, non-Western Christianity, globalization and women. Contains accessible and student-friendly features, including numerous illustrations, suggestions for further reading, a glossary of Christian terms, and brief readings from illustrative Christian sources.

Christian Theology Jul 31 2022 CHRISTIAN THEOLOGY "The genius of Alister E. McGrath is his remarkable ability to write in a clear, concise, and lucid manner that draws both teachers and students to participate with the great thinkers of the Christian tradition, past and present. Education and illumination are the abundant fruits of this massive, well-organized text, which is sure to appeal to a wide range of Protestant, Catholic, and Orthodox audiences. For this we are indebted to the author." Dennis Ngien, Professor of Systematic Theology, Tyndale University College and Seminary, Toronto, Canada "For sheer comprehensiveness, clarity, and coherence, Alister McGrath has produced the definitive textbook. Always accurate and engaging, students are gently introduced to the gift of Theology in a memorable way." Ian S. Markham, Dean and President of Virginia Theological Seminary Praise for the fifth edition "Alister McGrath has proven himself a master at engagingly and simply introducing Christian theology in all of its contested complexity. All who work at the critical appropriation of the theological tradition stand in debt to McGrath." M. Douglas Meeks, Cal Turner Chancellor Professor of Theology and Wesleyan Studies, Vanderbilt University Divinity School Now celebrating its 25th year of publication, *Christian Theology* is one of the most internationally acclaimed textbooks in this area today. Completely rewritten for the sixth edition, it remains the ideal introduction to the beliefs and interpretation of Christianity. It is specifically designed for students with no prior knowledge, presenting the primary themes and debates of Christian theology with clarity and historical context. This new edition retains all the elements that have made it so successful while also including significant additions and developments. There is an increased discussion of contemporary theology to complement the excellent coverage of historical material.

Important new information has also been added, in areas such as the Holy Spirit, contemporary non-Western theologies, and feminist voices in Christian theology. The text is rich in pedagogy to encourage student learning, featuring a two colour design, glossary, end-of-chapter discussion questions, and much more. Written by renowned theologian Alister E. McGrath, this classic text is a clear, lively and concise introduction that provides instructors with the tools they need to engage with their students on Christian theology.

A Reader in African Christian Theology Feb 23 2022

The Practice of Theology Nov 10 2020 This accessible reader is focused on a standard theme for introductory level university courses in systematic theology. The texts are selected from a variety of positions from across the country, and are designed to promote engagement with major theological debates.

A Christian Theology of Place Jan 13 2021 The place in which we stand is often taken for granted and ignored in our increasingly mobile society. Differentiating between place and space, this book argues that place has very much more influence upon human experience than is generally recognised and that this lack of recognition, and all that results from it, are dehumanising. John Inge presents a rediscovery of the importance of place, drawing on the resources of the Bible and the Christian tradition to demonstrate how Christian theology should take place seriously. A renewed understanding of the importance of place from a theological perspective has much to offer in working against the dehumanising effects of the loss of place. Community and places each build the identity of the other; this book offers important insights in a world in which the effects of globalisation continue to erode people's rootedness and experience of place.

Divine Teaching Oct 10 2020 This innovative work is an introduction to Christian theology with a difference. Not only does it interpret, with clarity and energy, fundamental Christian beliefs but it also shows how and why these beliefs arose, promoting an understanding of theological reflection that encourages readers to think theologically themselves. From Irenaeus and Aquinas to Girard, from Augustine to

Zizioulas and contemporary feminist thought, *Divine Teaching* explores the ways in which major thinkers in the Christian tradition have shaped theology through the wide variety of their encounters with God. It makes theological study adventurous and interactive, not necessarily requiring a faith commitment from all, but allowing readers a thoughtful involvement in the subject that takes seriously the Christian vision of God as the ultimate teacher of theology. *Divine Teaching: An Introduction to Christian Theology* is an imaginative and lively analysis of the Christian way of thinking, offering vivid and informing insight into the history and practice of Christian theology.

The Modern Theologians Reader Jul 07 2020
The *Modern Theologians Reader* is an outstanding selection of the key writings in modern theology, with each extract introduced and annotated to support student learning. Holocaust Theology Oct 22 2021
Where was God when six million died? Over the last few decades this question has haunted both Jewish and Christian theologians. If God is all-good and all-powerful, how could he have permitted the Holocaust to take place? *Holocaust Theology: A Reader* provides a panoramic survey of the responses of over one hundred leading Jewish and Christian Holocaust thinkers. Beginning with the religious challenge of the Holocaust, the collection explores a wide range of thinking which seek to reconcile God's ways with the existence of evil. In addition, the book addresses perplexing questions regarding Christian responsibility and culpability during the Nazi era. Designed for general readers and students, the readings are arranged thematically and each one is divided into separate topics. For anyone who is troubled by the religious implications of the tragedy of the Holocaust, this collection of

Holocaust theology provides a basis for discussion and debate: each reading is followed by several questions designed to stimulate this.

The Future of Christianity Nov 30 2019

The Reformation to the Modern Church Apr 03 2020
Engagement with primary sources is an essential part of effective teaching and learning in the church history or theology course. And yet, pulling together and distilling the right readings can be challenging, especially in more recent periods where tracing the diverse traditions that flow from the momentous events of the sixteenth century requires nuance. In this all-new primary-source anthology, Keith D. Stanglin has done the heavy lifting for a new generation of classrooms. Stanglin has edited and introduced over 100 selections to create a reader that orients students to the ebb and flow of thought that moves out from the pre-Reformation period. Attentive to major movements such as confessionalization, pietism, skepticism, liberalism, and revivalism, Stanglin organizes the readings into nine chapters and provides helpful introductions to each: Late Medieval Contexts, Outbreak of Reform, Radical Reformation, Roman Catholic (Counter-)Reformation, Protestant Codifiers and Confessionalization, Enlightenment and Skepticism, Pietism and Revivalism, Liberal Protestantism and Responses, and Late Modern Fragmentation and Ecumenism.

This new edition strengthens its position, and will be welcomed by professors and their students alike.

Christian Theology and the Secular

University Jun 25 2019 If the secular university by definition is non-sectarian or non-denominational, then how can it accommodate a discipline like Christian theology? Doesn't the traditional goal of theological study, which is to attain knowledge of the divine, fundamentally conflict with the main goal of secular academic study, which is to attain knowledge about ourselves and the world in which we live? So why should theology be admitted, or even care about being admitted, into secular academic life? And even if theology were admitted, what contribution to secular academic life could it make? Working from a Christian philosophical and theological perspective but also engaging a

wide range of theologians, philosophers, and religious studies scholars, *Christian Theology and the Secular University* takes on these questions, arguing that Christian theology does belong in the secular university because it provides distinct resources that the secular university needs if it is going to fulfill what should be its main epistemic and educative ends. This book offers a fresh and unique perspective to scholars working in the disciplines of theology, philosophy, and religious studies, and to those in other academic disciplines who are interested in thinking critically and creatively about the place and nature of theological study within the secular university.

The Routledge Companion to the Practice of Christian Theology Aug 08 2020 This Companion introduces readers to the practice of Christian theology, covering what theologians do, why they do it, and what steps readers can take in order to become theological practitioners themselves. The volume aims to capture the variety of practices involved in doing theology, highlighting the virtues that guide them and the responsibilities that shape them. It also shows that the description of these practices, virtues and responsibilities is itself theological: what Christian theologians do is shaped by the wider practices and beliefs of Christianity. Written by a team of leading theologians, the Companion provides a unique resource for students and scholars of theology alike.

Christian Theology: The Basics Jun 17 2021

Christian Theology: The Basics is a concise introduction to the nature, tasks and central concerns of theology – the study of God within the Christian tradition. Providing a broad overview of the story that Christianity tells us about our human situation before God, this book will also seek to provide encouragement and a solid foundation for the reader's further explorations within the subject. With debates surrounding the relation between faith and reason in theology, the book opens with a consideration of the basis of theology and goes on to explore key topics including: The identity of Jesus and debates in Christology The role of the Bible in shaping theological inquiry The centrality of the Trinity for all forms of Christian thinking The promise of salvation and how it is achieved. With suggestions for further reading

at the end of each chapter along with a glossary
Christian Theology: The Basics, is the ideal
starting point for those new to study of theology.

An Introduction to Christian Theology Jan 31
2020 There has long been a need for a
comprehensive but truly introductory single-
authored textbook in theology. By introducing
the reader to the biblical, doctrinal and
contemporary dimensions of Christianity with
the help of illustrated examples from selected
primary texts, the book provides an excellent
grounding in theology for both students of the
discipline and the general reader. The work
explores key 'tools' for the scientific study of
theology, endeavouring both to affirm the
rationale behind Christian thinking, and also to
familiarize the reader with significant contrary
positions. The solid foundations in biblical
theology and hermeneutics given in the book will
enable students to read Judeo-Christian
scripture intelligently. Key testimonies
regarding Jesus Christ are scrutinized and the
nature of the New Testament discussed. As well
as the emergence of doctrinal orthodoxy and the
later disagreements which have shaped
contemporary Christianity, the reader will
become familiar with the dimensions of current
Christian thinking in its dialogue with post-
modernity.

properly Christian approach to natural theology
might look like and how this relates to
alternative interpretations of our experience of
the natural world Alister McGrath is ideally
placed to write the book as one of the world's
best known theologians and a chief proponent of
natural theology This new work offers an
account of the development of natural theology
throughout history and informs of its likely
contribution in the present This feeds in current
debates about the relationship between science
and religion, and religion and the humanities
Engages in serious theological dialogue,
primarily with Augustine, Aquinas, Barth and
Brunner, and includes the work of natural

scientists, philosophers of science, and poets

Christian Theology Nov 22 2021 This book gives an accessible account of classical Greek history, from the aftermath of the Persian Wars in 478 bc to the death of Alexander the Great in 323 bc. The author describes the years which witnessed the flourishing of democracy in Athens; the establishment of the Athenian

empire; the Peloponnesian war, which involved the whole Greek world; the development of Macedonian power under Philip II; and the conquests of Alexander the Great. His account combines narrative with analysis, and deals with major social, economic and cultural developments as well as political and military events. Rhodes details the evidence on which his narrative is based, which includes inscriptions, coins and material remains, and outlines the considerations which have to be borne in mind in using this evidence."

Christian Theology and Tragedy Oct 29 2019 Drawing together leading scholars from both theological and literary backgrounds, Christian Theology and Tragedy explores the rich variety of conversations between theology and tragedy. Three main areas are examined: theological readings of a range of tragic literature, from plays to novels and the Bible itself; how theologians have explored tragedy theologically; and how theology can interact with various tragic theories. Encompassing a range of perspectives and topics, this book demonstrates how theologians can make productive use of the work of tragedians, tragic theorists and tragic philosophers. Common misconceptions - that tragedy is monolithic, easily definable, or gives straightforward answers to theodicy - are also addressed. Interdisciplinary in nature, this book will appeal to both the theological and literary fields.

[Principles of Christian Theology](#) Jul 27 2019
This text poses the question "what is theology?" and goes on to discuss issues of methodology, the relation of theology to other disciplines and different theological perspectives. It also investigates topics in the fields of philosophical theology (human existence; revelation; the language of theology; and Christianity and other religions), symbolic theology (triune God; doctrines of creation; the problem of evil and suffering; the person of Jesus Christ; and eschatology) and applied theology (the Church; ministry and mission; word and the sacraments; worship and prayer; and ethics).

Theology Jan 25 2022
This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an inter-connected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms.
