A lower-level exam practice book designed to improve the level of students who plan to take the IELTS test in the future. American English Idioms is a book that teaches essential and foundational idioms used in the USA. It is designed to be an easy-to-use guide especially for ESL students. With a unique Sorted-By-Meaning format, you can now look up idioms via their meanings rather than being limited to searching for them in alphabetical order. It also comes with guides to teach how and when to use the idioms; do you use them in informal, semi-formal or formal speech? What is informal, semi-formal or formal speech anyway? This book will help you with that. Packed with information, every idiom comes in its infinitive form; with at least 1 real-life subject pronoun example sentence. Created by a native American English speaker, you can now learn to speak English like an American and learn the idioms that American English speakers expect you to know. Also includes a brief overview of some of the most common Internet abbreviations. This book has been divided into sections and each section has been further divided into lessons. have been given, wherever necessary. Also, exercises are given at the end of every lesson for practice and solutions at the end of the book. Start speaking English in minutes, and learn key vocabulary, phrases, and grammar in just minutes more with Beginner English, a completely new way to learn English with ease! Beginner English will arm you with English and American cultural insight to utterly shock and amaze your English speaking friends and family, teachers, and colleagues. What you get in Beginner English: - 1750+ pages of English learning material - 25 English lessons: dialog transcripts with translation, vocabulary, sample sentences and a grammar section - 25 Audio Lesson Tracks (over 4 hours of English lessons) - 25 Audio Review Tracks (practice new words and phrases) This book is the most powerful way to learn English. Guaranteed. You get the two most powerful components of our language learning system: the audio lessons and lesson notes. Why are the audio lessons so effective? - Powerful and to the point - Repeat after the professional teacher to practice proper pronunciation - Cultural insight and insider-only tips from our teachers in each lesson - Fun and relaxed approach to learning - Effortlessly learn from bi-lingual and bi-cultural hosts as they guide you through the pitfalls and pleasures of America and English. Why are the lesson notes so effective? - Develop and improve listening comprehension and reading comprehension by reading the dialog transcript while listening to the conversation - Master and correct English script by reading the lesson notes - Grasp the exact meaning of phrases and expressions with sample sentences and the expansion section - Expand your word and phrase usage with the expansion section - Master and learn to use English grammar with the grammar section Interactive. Effective. And FUN! Discover or rediscover how fun learning a language can be with the future of language learning. Buy or sample this eBook now! And start speaking English instantly!
