The Road Trip Oct 02 2022 Two exes reach a new level of awkward when forced to take a road trip together in this endearing and humorous novel by the author of the international bestseller *The Flatshare*. What if the end of the road is just the beginning? Four years ago, Dylan and Addie fell in love under the Provence sun. Wealthy Oxford student Dylan was staying at his friend Cherry's enormous French villa; wild child Addie was spending her summer as the on-site caretaker. Two years ago, their relationship officially ended. They haven't spoken since. Today, Dylan's and Addie's lives collide again. It's the day before Cherry's wedding, and Addie and Dylan crash cars at the start of the journey there. The car Dylan was driving is wrecked, and the wedding is in rural Scotland—he'll never get there on time by public transport. So, along with Dylan's best friend, Addie's sister, and

a random guy on Facebook who needed a ride, they squeeze into a space-challenged Mini and set off across Britain. Cramped into the same space, Dylan and Addie are forced to confront the choices they made that tore them apart—and ask themselves whether that final decision was the right one after all.

Road Trip! Sep 28 2019 A friend of mine asked me, "What kind of idiot would drive a thousand miles to drive a thousand miles, to drive a thousand miles home?" The answer, apparently, is one like me. Exactly like me, in fact. That is the spirit that launched most of the adventures in this book. *Road Trip!* captures the author's quest for new places to see in old cars that are not quite suited for the task. In most cases, the spirit was way in front of the planning. It also accurately depicts the typical thorough thought process that precedes a departure. There is nothing so liberating yet useless as a Road Trip. A Road Trip is one with no purpose other than the going. If one is moving to a new job or going off to college or to a new home, it is not a Road Trip; it has a purpose. In order to be a real Road Trip, the trip itself must be the purpose...and, just to be clear, driving an old car home after buying it, rather than shipping it, cannot be construed as a purpose- rather it is a clear choice. It is a choice to make a Road Trip. Welcome to some of Ross' favorite Road Trips!

The Negro Motorist Green Book Jun 05 2020 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

For anyone who has fallen under its spell, a car represents freedom and adventure. For decades, the American tradition of the road trip has been bound up with the idea of new possibilities and new horizons. This book is an indispensable guide to the most beautiful, breathtaking, extraordinary, and fun road trips the world has to offer. Complete with road trips varying in length and level of challenge, from an epic transglobal route inspired by Ewan McGregor and Charley Boorman's Long Way Round documentary series to a two-mile blast around Monaco's F1 street circuit, there is something for any adventurer. Each entry provides information about distance, start and finish points, road surfaces, must-see stop-offs, detours, and other details to plan an unforgettable trip. Entries are organized into three categories: Scenic, Adventure, and Culture. One can marvel at the views from Cape Town's scenic Chapman's Peak Drive or central California's Pacific Coast Highway, but the thrill seeker might opt for the hair-raising ride through Montenegro's coastal mountains to reach the medieval walled town of Sveti Stefan on the Adriatic. The culture category features routes inspired by film, literature, and history: re-create Thelma and Louise's heart-pounding joyride (minus the final leap), savor Japan's "Romance Road" through unspoiled small towns, or follow Jack Kerouac's path from On the Road.

Memory Road Trip Jan 13 2021 *MEMORY ROAD TRIP* is a collection of travel stories ranging from the sublime to the surreal as recounted by a former travel agent who saw the world on the cheap. The journey down memory road is a heartfelt excursion into the past that takes armchair explorers on an odyssey of life, love, and loneliness. The circuitous path is full of philosophical nooks and crannies, and many stories get told from the bottom of a well. Many of Krista's stories speak to the angst that simmers inside all of us as we confront the many absurdities that exist in this world. Her passion for nature, art, history, and architecture gush across the page, along with her

contagious curiosity in life and her pragmatic acceptance of death. MEMORY ROAD TRIP is not only an adventurous journey to certain parts of the globe, but it is also an introspective and witty journey to the mysterious self. For as large as the world is, it has grown infinitely smaller, yet currently exists relatively out of reach. Travel, for the moment, is safer done mentally these days, so now's the time to go on a MEMORY ROAD TRIP with someone who knows the way.

Road Trip: A Practical Manual Mar 15 2021 Road Trip: A Practical Manual is aimed at inspiring readers to take a road trip, while providing practical advice to help them to do so. Whether looking at popping over to Europe for a quick circuit, hankering to drive the classic routes of North America, or even aiming to cover a clutch of African countries, there is something for everyone. Importantly, every road trip featured is possible without specialist equipment and, indeed, each and every trip could possibly be completed in a hire car – though for a select few a four-wheel drive hire vehicle would be advisable. The author offers a wealth of advice from his experience taking road trips around the world. From hiring cars and paperwork, to what to take, driving laws, crossing borders and emergencies, the engaging text aims to give the reader confidence to fulfill his/her dreams. The second part of the book provides a wide range of route suggestions, based on the author's own experiences on six continents. Road Trip: A Practical Manual is a fascinating guide, which will, hopefully, inspire readers to turn their independent travel dreams into reality.

The Road Trip Sep 01 2022 Two exes reach a new level of awkward when forced to take a road trip together in this endearing and humorous novel by the author of the international bestseller *The Flatshare*. What if the end of the road is just the beginning? Four years ago, Dylan and Addie fell in love under the Provence sun. Wealthy Oxford student Dylan was staying at his friend Cherry's enormous French villa; wild child Addie was spending her summer as the on-site caretaker. Two years ago, their relationship officially ended. They haven't spoken since. Today, Dylan's and Addie's lives collide again. It's the day before Cherry's wedding, and Addie and Dylan crash cars at the start of the journey there. The car Dylan was driving is wrecked, and the wedding is in rural Scotland—he'll never get there on time by public transport. So, along with Dylan's best friend, Addie's sister, and

a random guy on Facebook who needed a ride, they squeeze into a space-challenged Mini and set off across Britain.
