How to Structure a Thesis, Report or Paper Mar 03 2020 How to Structure a Thesis, Report or Paper provides concise practical guidance for students to help make their writing more structured at any level. It assists students in demonstrating what they have learned in the relevant course or degree programme in a way that is accessible to the supervisor and the examiner. Drawing on almost 20 years of supervision experience, the author presents the eight sections of a well-structured thesis, report or paper, together with discussing other relevant issues. Each chapter provides a detailed description of why each section of a thesis, report or paper is structured in the way it is, and its relationship to the whole piece of work. Good and bad examples are provided throughout the book, and there is a focus on key areas such as the six parts of an Introduction and its relationship to the Conclusion, how to phrase clear research questions and hypotheses to the use of references and how to make the thesis, report or paper easier to read. The structure presented in this book can be used to support many courses on the student's entire degree programme, as the structure can be adapted by re-arranging or deleting sections. This book is an invaluable aid to students at all stages in higher education, from their first report or paper until they write their final thesis. It provides clear guidelines for when students should ask their supervisors for advice, and when students can use their own initiative to learn the most. It makes writing a thesis, report or papers more straightforward!

Three generations of women, each hostage to the repercussions of a smouldering secret none of them dares reveal. Two families from either side of the social divide, brought together by

hatred, unrequited love and mortal sin. They should have nothing in common, but fate intervenes in their lives with shocking consequences. A ruined hut at the foot of the mountain – an unlikely place of innocence, lust, betrayal, and birth that finally releases the secret ghost of the past. Anne McCabe has written a heartfelt story of Ireland from the 1940's to the 80's, and the secret shame that has befallen so many women whose only sin was to dare to fall in love. «...a superb sustained début of elegant artistry.» Ken Bruen, award-winning author of international best-sellers.

The Quadrant Puzzles Feb 23 2022 This piece of fiction may at first disturb those singularly pursuing “success” for it lays bare their identities and the nature of their personal relationships. However, by the end of the book there would clearly appear comfort and redemption. A novel that defies genres, it is about how unabashed opportunity creations lead to Orwellian outcomes. This is a must read for a beleaguered market civilization. This book has its share of heroes and villains. But in the end there is a universal triumph for every human being. A novel of immense reconciliation. It has the power to heal the earth and the human heart. Here is a bold attempt to synthesize philosophy and everyday living, the east and the west, reason and harmony, and finally, truth and beauty. A few excerpts from the book: “My heart raced as she sat beside me Her soft reassuring ancient hands Picked me up, cradled me in her lap, Pressed me to her breast And kissed me on the forehead. She then bent down to my ear And spoke the kind motherly words.” “Grossness was my creed Sensory entitlement my greed What heavenly intervention Would refine me human?” “I sat beside his imposing presence Hope blossomed in my heart. His message, direct and unmistakable Gave me a new vision.”

AMRITABINDU UPANISHAD May 17 2021 Can the mortal ever become immortal? Can the mind make us immortal? Can knowledge make us immortal? Does immortality mean living for ever in the body, as the body? Read the nectarine message of the Vedas in the Amrtabindu Upanishad and enjoy its immortal Truth. Partaking even a drop of it can immortalise us. This is the assurance of sages. Swami Tejomayanandaji's commentary makes this immortal and subtle ambrosia simple to follow and a delight to swallow. Swami Tejomayananda is an outstanding teacher of Vedanta, with a profound depth beneath his simplicity and humility. He has a simple conviction - to fortify, strengthen and actualise the vision of his Guru, Swami Chinmayananda. Swamiji has written commentaries on many Vedantic texts and authored many original compositions on Vedanta and Bhakti (Devotion). He is the current head of Chinmaya Mission - a global spiritual organisation with more than 250 centres worldwide.
