Gifts from a Course in Miracles Oct 07 2020 The philosophical depth, psychological insight, and spiritual guidance of A Course in Miracles have been an extraordinary treasure of wisdom for millions of readers worldwide since its original publication in 1976. English, brings together the most evocative and inspirational selections from the Course and contains the entire texts of three previously published books, *Accept this Gift*, *A Gift of Healing*, and *A Gift of Peace*. The Tao Made Easy Sep 17 2021 “Alan Cohen brings to life ancient wisdom for a new era deeply in need of enlightenment. That wish has come true for us. Now what? In this radically illuminating book, Alan Cohen delves into one of the world’s most venerated wisdom texts for answers and brings the lofty and enigmatic concepts of the Tao Te Ching down to earth in fresh, easy-to-grasp language with practical, personal examples we can use to uplift our daily lives. Most other interpretations of the Tao march through the stanzas one by one. Here Alan Cohen calls forth the ancient verses around themes that are central to our modern lives —from love to work to the lessons we learn from pain. Then he brings each message to life in short vignettes where he imagines himself a student of Lao Tse and interacts with the master directly and intimately. He invites you to join the ancient sage and the contemporary seeker as they wend their way through the challenges and triumphs of the same journey you’re taking yourself.

The Course in Miracles Experiment Jul 28 2022 ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of *E-Squared*. A Course in Miracles

is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

A Course in Miracles Workbook for Dummies Aug 24 2019 If your spiritual practice does not teach you how to respond appropriately to the changing circumstances in your life without compromising your spiritual values or losing your inner peace, what good is it? It is of little or no use. A Course in Miracles (ACIM) should be a practical course that helps you live a happier and self-fulfilled life today. Yet, for most, this remains an unfulfilled promise. Why? Because most people never complete the 365 daily Workbook Lessons associated with the text. The Workbook Lessons are designed to bypass the mind of your ego and open your heart. Yet, most either ignore, struggle or fail to grasp the true meaning of these lessons but you can change that. This book covers the 365 Daily Workbook Lessons. Each lesson is presented in "Dummies" format so that the richness of these lessons will become apparent, understandable and more importantly, practical. "Dummies" format demystifies the original workbook lessons by replacing the pronouns and unclear

references with their meanings. This clarifies the purpose or meaning of each lesson. All antecedent references made to ACIM's Workbook Lessons are clearly noted in bold print for easy reference to the original text. Each lesson is then followed by an explanatory note to assist the reader with a deeper understanding of the lesson. The notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM Workbook for Dummies can be utilized as either a primary or secondary text for independent or group study. The ACIM for Dummies Series is an excellent reference tool for those who seek a deeper level of understanding of A Course In Miracles' teachings. The ACIM for Dummies series cuts thorough the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy, forgiveness and unconditional love awaits anyone who is willing to see things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. You no longer have any excuse not to complete these lessons and finish the Course. A special thanks to Jon Mundy who provided the forward for this book.

Husband Hunting Made Easy Oct 19 2021 The modern gay man is his own best friend, has healed his inner child, is in touch with the warrior within, has memorized the Kama Sutra, and owns a little black book that

would make Casanova jealous. Why, then, do so few of them have the house, dog, Range Rover, and "husband" that so many yearn for? *Husband Hunting Made Easy* finally reveals the secrets to finding, getting, and keeping the husband of your dreams. From the basics ("What is a husband and why do I want one?") to the advanced course ("In-laws-how not to kill them"), this is the everything-you-need-to-know guide. A Book of Miracles Jun 14 2021 Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded *Exceptional Cancer Patients*, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a "carefrontation." Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life's difficulties.

The Dew Breaker Jun 22 2019 We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a

landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret. Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly establishes her as one of America's most essential writers. BONUS: This edition includes an excerpt from Edwidge Danticat's Claire of the Sea Light.

The Key to the Asian Miracle Jun 02 2020 "Easily the most informed and comprehensive analysis to date on how and why East Asian countries have achieved sustained high economic growth rates, [this book] substantially advances our understanding of the key interactions between the governors and governed in the development process. Students and practitioners alike will be referring to Campos and Root's series of excellent case studies for years to come." Richard L. Wilson, The Asia Foundation Eight countries in East Asia--Japan, South Korea, Taiwan, Hong Kong, Singapore, Thailand, Malaysia, and Indonesia--have become known as the "East Asian miracle" because of their economies' dramatic growth. In these eight countries real per capita GDP rose twice as fast as in any other regional grouping between 1965 and 1990. Even more impressive is their simultaneous significant reduction in poverty and income inequality. Their success is frequently attributed to economic policies, but the authors of this book argue that those economic policies would not have worked unless the leaders of the countries made them credible to their business communities and citizens. Jose Edgardo Campos and Hilton Root challenge the popular belief that East Asia's high performers grew rapidly because they were ruled by authoritarian leaders. They show that these leaders had to collaborate with various sectors of their population to create an environment that was conducive to sustained growth. This required them to persuade the business community that their investments would not be expropriated and to convince the broader population that their short-term sacrifices would be

rewarded in the future. Many of the countries achieved business cooperation by creating consultative groups, which the authors call deliberation councils, to enhance accountability and stability. They also obtained popular support through a variety of wealth-sharing measures such as land reform, worker cooperatives, and wider access to education. Finally, to inhibit favoritism and corruption that would benefit narrow interest groups at the expense of broad-based development, these countries' leaders constructed a competent bureaucracy that balanced autonomy with accountability to serve all interests, including the poor. This important book provides useful lessons about how developing and newly industrialized countries can build institutions to implement growth-promoting policies.

A Course in Miracles Jan 10 2021 A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The second consists of a workbook, comprising 365 lessons — an exercise for each day of the year — intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has been translated into more than 20 languages and sold millions of copies around the world.

This will become my new handbook for all my future discipleship training!" David "I started reading the book last night and am loving it! I needed a word from God, He led me to the "Persistence Pays Off" chapter and guess what? Today I prayed for a friend and through our persistence and faith she received 100% healing: D Yay Jesus!!!" Flaminia (UK) "I love the simplicity of this book- the raw honesty. There is no longer an 'us and them' in terms of who can heal and who can't." Dommi (UK) "A book that will bring you to a simpler place and understanding of the truths behind healing the sick." Cameron "The authenticity and pure heart of the author comes shining through in a way I truly appreciate." Kody "Praying Medic is not just an example but he is a teacher as well. Solid teaching made simple. He leaves you with that feeling this isn't so hard, I think I can do this." Mark "I have read a lot of books about healing, prayer, spirituality, and things supernatural. It is very rare that so many different aspects of the topics of healing and the supernatural workings of God are not just found in one book, but looked at from a very pragmatic, down-to-earth perspective." Loire "Wonderfully down to earth. It's both incredibly practical and remarkably inspiring." NWP Get your copy today! Tags: healing for today, healing dreams, healing anointing, God's healing
